### By Train

Relentless Software is easy to get to by train. We are 50 minutes from London Victoria. The map on the right shows directions from the station, which is about five minutes from our office.

### By Car to Church Street NCP

To get to us by car, head down the M23, which turns into the A23.

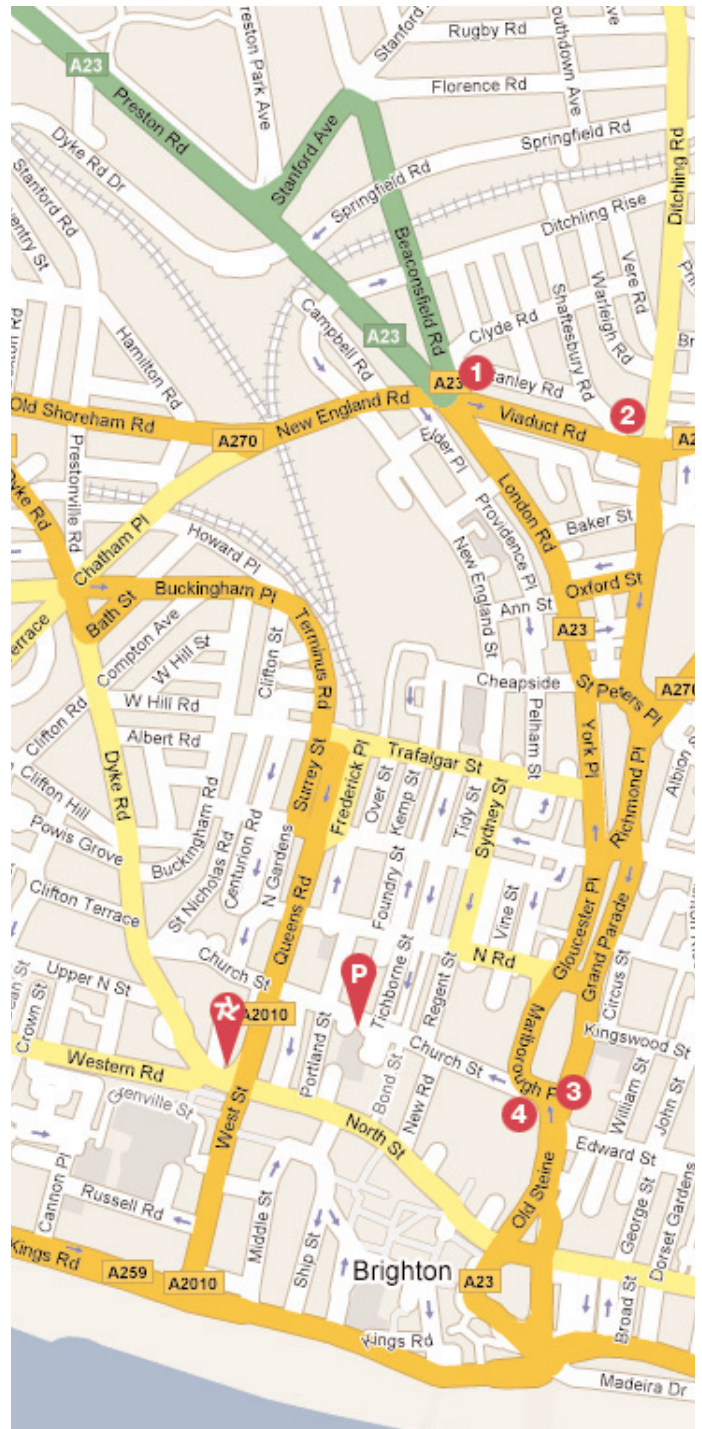

As you come into Brighton you'll get to a roundabout with a petrol station on your right. Go straight over the roundabout and continue into Brighton on the same road (about 10-15 minutes).

Follow the one way system into Brighton turning left into Viaduct Road (1) and then right at the traffic lights at the end of Viaduct road (2). Follow the road heading towards the seafront.

Turn right at the bottom of Marlborough Place (3) and then take the first left into Church Street (4). Proceed up Church Street until you see the NCP on your left.

For better directions, try AA Routefinder.
